The offer of supplementary school care, SEB for short, is aimed at children of kindergarten and primary school age and is offered at the five SEB locations Aumatten, Fiechten, Reinacherhof, Surbaum and Weiermatten. The SEB is run by (socio-)pedagogically trained specialists in collaboration with other care-givers.

The offer includes the following modules:

Module 2	2a	13.45-16.05	Afternoon care
	2b	14.55-16.05	
	2c	15.15-16.05	
	2d	15.45-16.05	
Module 3		16.05-18.00	After-school care incl. snacks

Lunch in module 1 will be delivered to all locations. Homework supervision is included in modules 2 and 3. In Module 3, each child receives an afternoon snack.

During a maximum of 11 weeks in the school vacations, full-day vacation care is provided (see separate flyer), which can be booked individually.

Registration and organization

Attendance at a SEB is only possible with a binding registration for an entire school term. Each of the modules can be attended individually and for between one and five days a week. The registration of least five children per location and module (or per day of vacation camp) is required for these childcare services to be provided.

In the case of the vacation camps, a child has to be registered for the entire day. The children have to be able to make their own way to the SEB. Any transport costs are to be covered by the parents/legal guardians.

Costs

This range of childcare services is subsidized by the municipality of Reinach for children who are resident in Reinach. The contribution of the parents/legal guardians to the costs of the childcare is determined on the basis of their income level. The relevant income is determined on the basis of the data submitted to our fiscal administration. Calculations are made according to the Regulations Governing Supplementary Childcare. The full costs are charged for children who are not resident in Reinach. More detailed information is available at www.reinach-bl.ch.

Forms

The relevant registration forms and information brochures can be ordered from the SEB Secretary's Office or downloaded from the municipal website www.reinach-bl.ch (keywords: Familien-ergänzende Betreuung, SEB).
